- I. Welcome—Julie
- II. Review/Approval of Minutes
- III. Treasurers Report/Budget

As a reminder, at our first meeting of the year we shared our balanced budget for the year (Aug 1 – July 31): we plan to raise and spend a little over \$84K – very exciting!

Fundraising off to a good start – funds from JAT have started to roll in strong; good progress on first round of apparel sales with more to come later in the year; PTA membership drive ongoing and doing very well; and our first donation to the Annual Fund has come in! (more info on AF in the coming months)

So far this year, PTA funds have gone to a variety of items to support our students, teachers/staff, and school. Some highlights: First half of support for Go Get Your Smock (\$16,500); Expenses to pull off an amazing Round Up; service contracts for all the copiers; Deposit on venue for our Spring Event fundraiser!; support for teachers' classroom supplies and Magistra's Latin contests; cleaning all rugs before school year started.

In addition, Fall book fair has been closed out (not a fundraiser but a great event, with funds that flow through the PTA
